## PANIRA HEALTH CLINIC APPOINTS CARRIGAN AND NOLAN AS TREASURER AND SECRETARY

[NAPLES, FLORIDA, January 2020] Panira Health Clinic is pleased to announce two appointments to their board of Directors; Dr. Patrick Carrigan as Treasurer and Ginny Nolan as Secretary. Panira is a 501 (c) 3, not-for-profit, walk-in and primary care clinic located in East Naples, Florida. It has been operational since October 2015. Its medical services are spreading hope in the Communities within Collier County.

Dr. Patrick J. Carrigan is a native of Pittsburgh, Pennsylvania. He is a graduate of the University of Pittsburgh with a Bachelor of Science in Biochemistry and a Doctorate of Dental Medicine. He continued his training in a residency for Endodontics at Temple University. Upon graduation, he returned to Pittsburgh and founded South Hills Endodontics/Precision Endodontics where he was senior partner and oversaw building purchases and leasing of offices. Dr. Carrigan has been practicing in Naples for twelve years after divesting his practice interests and responsibilities to his other partners.

“Both my Wife and I were introduced to the clinic while our Daughter was completing one of her medical rotations there” says Carrigan. “We are both excited to help them continue to serve the community”

Ginny Nolan is presently the Communications Outreach Coordinator at St. Peter the Apostle Church, being responsible for their website, mobile app and social media. She has also been involved in the business and ministry aspect of the church for almost thirty years. Ginny attended Sullivan Business College majoring in accounting and data processing.

“I feel blessed to be on board” says Nolan. “I see the need at the church and in the community for affordable healthcare. I love the vision of Panira Healthcare Clinic to help meet those needs.”
